BUILT ON EXPERIENCE.

ROOTED IN FAMILY VALUES.

WELCOME TO STAR GARDEN SUPPLY

To Our Valued Customers,

It is my pleasure to welcome you to the Star Garden Supply catalog and introduce myself as the company's new owner.

As Star Garden Supply begins this new chapter, our commitment remains unchanged. We will continue to honor the family values, hard work, integrity, and respect for customers that have guided this company since 1970. These principles built Star Garden Supply and will remain at the heart of everything we do.

We look forward to serving gardeners and landscaping professionals with dependable products, honest service, and innovative ideas for the future—while respecting the traditions and trusted relationships that brought us here.

Thank you for your continued trust and support. We are proud to carry the Star Garden Supply legacy forward together.

Sincerely,

Robert Garcia
Owner, Star Garden Supply

OUR COMMITMENT

FAMILY VALUES

We will continue to honor the family values that have guided this company since 1970.

HARD WORK & INTEGRITY

We will continue to uphold hard work and integrity in everything we do.

RESPECT & TRADITION

We will continue to respect the traditions and trusted relationships that brought us here.

REMEMBERING OUR

FOUNDERS

In 1970, Sam and Miyoko Kanzawa opened Star Garden Supply with a simple vision: to provide dependable products and personal service to the people who make our landscapes and gardens thrive.

What began with their hard work, dedication, and commitment to their customers became the foundation of the company we know today.

For more than five decades, their influence has remained part of Star Garden Supply. The relationships they built, the standards they established, and the importance they placed on serving customers continue to guide us.

Today, we honor Sam and Miyoko by carrying their vision forward — continuing to serve gardeners, landscapers, and professionals with quality products, honest service, and a commitment to the future of our industry.

SAM & MIYOKO KANZAWA

FOUNDERS OF
STAR GARDEN SUPPLY

THEIR VISION
Build a company rooted in quality products and exceptional customer service.

THEIR IMPACT
They built lasting relationships and set the standards of integrity and reliability that define who we are.

OUR PROMISE
We will continue their legacy by supporting the professionals who shape and beautify our world, today and tomorrow.

STANDARD CONNECTION

Each head, extension and saw pole has a male ferrule attached to the end.

PROFESSIONAL USE WARNING

For trained professionals only. Do not use as a hot stick. Contact with electrical lines, live wires, or other electrical devices may result in injury or death.

CARBON FIBER HYBRID POLE PRUNERS

A lightweight, durable hybrid designed for professional reach. The blue carbon-fiber blend is 30% lighter than standard yellow fiberglass when comparing blank poles.

LIGHTWEIGHT PROFESSIONAL SYSTEM

1.25 in. diameter fits the compatible ferrules and fittings. A 12 ft-class blank pole (135 in.) weighs approximately 1.85 lb.
